Normandale Neighborhood Roadway Reconstruction

Dear Resident:

The following is a quick update of the project in your neighborhood:

Stage 1 and 64th Street in Stage 2 will remain open for buses. Other Stage 2 streets may experience closures caused by the grading of the roads. Please have patience as the buses adjust to the temporary closures they encounter.

Neighborhood Reconstruction Schedule – Stage 1 (Sherwood and Ryan Avenues, and Parnell Avenue north of 64th Street)

On Friday, crews will begin hydro-seeding disturbed lawn areas. Please watch your front doors for information on the hydro-seeding process and long-term care tips.

Neighborhood Reconstruction Schedule – Stage 2 (Parnell Avenue south of 64th Street and West Shore Drive)

Street grading operations will begin next Monday. From 7 a.m. to 7 p.m., no parking will be allowed on Stage 2 streets. You may park in your driveway as normal, but there may be short delays depending on where construction equipment is working. If your driveway will be inaccessible during working hours, the contractor will notify you the night before via a door hanger.

Communications

For detailed information about the project, visit www.edinamn.gov/construction_normandale_reconstruction. The City of Edina and Northwest Asphalt thank you for your patience and cooperation throughout the project.

Regards,

Joe Clement, SEH
